

## APPLICATIONS IN FARM BUSINESS MANAGEMENT, CERTIFICATE

### Applications in Farm Business Management, Certificate

#### Overview

This certificate program is designed to provide instruction that will expand on the foundation for financial management which was learned in the Essentials of Farm Business Management certificate. Students in this program will use accounting skills to record and evaluate data related to the profitability and longevity of their business. Education is primarily delivered in an individualized setting at the student's business or the students preferred location. Students will use data management, planning strategies, and a business analysis to successfully manage their farm business.
