

BUSINESS TRANSFER PATHWAY, A.S.

Business Transfer Pathway, A.S.

Overview

The Business Transfer Pathway (AS) offers students a powerful option: the opportunity to complete an Associates of Science degree with course credits that directly transfer to designated Business bachelor's programs at Minnesota State universities. The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with a junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.
