

ESSENTIALS OF FARM BUSINESS MANAGEMENT, CERTIFICATE

Essentials of Farm Business Management, Certificate

Overview

This Certificate program is designed to provide instruction that will help to build a foundation for successful financial management of the farm business. Students in this program will use basic accounting practices and goal setting to provide benchmarking information and a direction for the business. Education is primarily delivered in an individualized setting at the student's business or the students preferred location. Students use business records to provide information for completing a business analysis and initiate a financial trend analysis for sound decision-making.
