COSM 1155: Clinic IV

Description

Clinic IV will apply practical skills necessary for entry-level salon work. Cosmetologists and Estheticians will concentrate on safety procedures and sanitation, plan and perform specialty facial services to enhance skin, perform advanced facial and body hair removal procedures, and artificial eyelash extension and enhancement application methodologies. Estheticians will also focus on the completion of the quotas needed to conclude their Minnesota requirements, as well as review for the esthetician's state board written and practical exams. This course will contribute 80 hours toward licensure The State of Minnesota mandates the hours to go toward the hour requirements.

Credits

3

Prerequisite

None

Corequisite

None
