## SECTION HEADING

### NURS 1295: PN Integration

#### Description

PN Integration facilitates the transition of the learner to the role of an LPN. Concepts related to leadership and management are presented, as well as career development options that enhance career mobility. Standards of practice and the importance of practicing according to state regulations and statutes for the scope of practice for the LPN are examined.

#### Credits

2

#### Prerequisite

Acceptance into the Practical Nursing program and successful completion of Semester 1 and 2 for Summer/Maymester OR successful completion of Semester 1 and current passing grades in all didactic and clinical courses by midterms in semester 2. Semester 1 Courses: NURS 1100, NURS 1120, NURS 1130, NURS 1140, NURS 1180 Semester 2 Courses: NURS 1220, NURS 1230, NURS 1250, NURS 1280

#### Corequisite

None

#### Topics to be Covered

1. Nursing Process
2. Assessment
3. Nursing Interventions
4. Evaluation of Interventions
5. Therapeutic Communication
6. Patient Education
7. Collaboration
8. Prioritization
9. Nursing Skills
10. Charting via EHR

#### Learning Outcomes
