
SECTION HEADING

OTAC 2130: Level I Fieldwork B

Description

Level I Fieldwork B participates in a 32-40 hour supervised clinical experience in an OTA practice or comparable environment. Knowledge and skills learned from previous courses are applied when working with clients and staff in a professional setting. Students are supervised by a qualified individual and will have opportunities to observe clients and apply therapeutic knowledge.

Credits

1

Prerequisite

OTAC 1230

Corequisite

None

Topics to be Covered

1. Observe/participate in OT/program delivery
