## SECTION HEADING

### STSK 1110: Freshman Seminar

#### Description

Freshman Seminar enhances the student's adjustment and success with the college experience. Freshman Seminar course provides first-year students with a general orientation and introduction to resources and skills helpful in the transition to college life and to assist in long term academic and personal success. It is designed to facilitate a successful college experience. Students will develop college-level study skills and will learn about college resources to assist them in their personal and academic adjustment to college life. Strategies for a successful college experience, including: time management, studying smart, taking notes from lecture and textbooks, writing, test taking techniques, stress management, learning and teaching styles, preparing speeches, introduction to online learning, navigating D2L, and ITV/distance learning will be covered.
